

**SUPPLEMENTAL/ BID BULLETIN
SBB2021-002**

For the Project:

**"PIPELAYING AND RELATED WORKS"
Reference No. WDDSP-STM-IFB-CW05a**

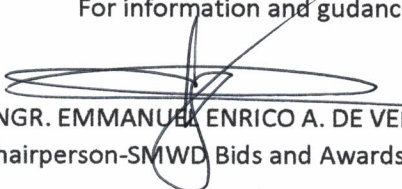

In accordance with Section 22.5.2 of IRR of RA No. 9184, the SMWD-BAC is issuing this Supplemental/Bid Bulletin to answer the query of the prospective bidders during the pre-bid conference held last February 3, 2021 for the project stated above. The query or clarification is about the submission of Technical Documents as stated in BDS Clause 12.1b(ix) that as part of the Technical Documents, the prospective bidder shall submit (ix) **Credit line from a Universal or Commercial Bank extended in favor of the bidder if awarded the contract for the project at least ten percent (10%) of the ABC.**

The word "if awarded" made confusions, the prospective bidders clarify if the credit line shall be submitted together with the technical documents or if after the project has been awarded to an eligible bidder. The Bids and Award Committee in order to enlighten the issue has consulted the ADB team and this was the answer:

"The Credit line from a Universal or Commercial Bank (stated in the SCC) shall be submitted as part of The Technical Documents. It must be ten percent (10%) of the ABC. The credit line will have an effect to the bidder if declared as winner and will have no effect to non-winning bidders at all".

For clarification, the SMWD-BAC retained what is stated in the BDS 12.1 b (ix) that the Credit Line from a Universal Bank shall be included in the Technical Documents (Refer to BDS 12.1 of the Bidding Documents).

For information and guidance of all concerned.
