# Santa Maria WATER DISTRICT

to Section 30 of the 2016 revised IRR of RA No. 9184.

The BAC shall check the submitted documents of each Bidder against the Eligibility/Technical checklist to ascertain if they are all present, using a non-discretionary "pass/fail" criterion pursuant to Section 30 of the 2016 revised IRR of RA No. 9184.

2. As discussed during the pre-bid conference that there were instances when the end users encountered problem with the fittings esp. in the thread, for this reason, the prospective bidders are required to submit samples of all sizes of particular fittings in the Schedule of Requirements for testing and evaluation if compliant with the specifications or not.

ORIGINAL	AMENDED
NOTE: The bidders are required to bring sample of fittings listed in the Schedule of Requirements. One each for every kind of fittings, no need to bring all sizes of a particular fittings. Samples are part of the Technical Specifications and shall be submitted together with the bidding documents.	NOTE: The bidders are required to bring sample of fittings listed in the Schedule of Requirements. One each for every kind of fittings. <b>To properly check the precision of the fittings, the BAC reiterated that prospective bidders shall bring samples of all sizes of Brass Ball Valves, Brass Check Valves and Brass Gate Valves and also all sizes of GI Nipples.</b> Samples are part of the Technical Specifications and shall be submitted together with the bidding documents.

Non-conformity in this Supplemental/Bid Bulletin thereof, may consider the bid as non-responsive to the bidding policies. Consequently, the same may result in the disqualification and/or rejection of the prospective bidder's Bid.

This SUPPLEMENTAL/BID BULLETIN, was issued this 14<sup>th</sup> day of February 2022 as clarification/addendum to the bidding documents.

For information and guidance of all concerned.
